The Emergence of the Catholic Tradition is the history of this critical, troubled time. Pelikan focuses upon the subtle relation between what the faithful believed, what teachers--both orthodox and heretical--taught, and what the church confessed as dogma during its first six centuries of growth. Jaroslav Pelikan, is one of the foremost scholars on historic Christianity in the world. This book, the second in a series, examines the Eastern Christian tradition between 600 and 1700. Early Christianity covers the period from its origins (c. 30–36) until the First Council of Nicaea (325). This period is typically divided into the Apostolic Age (c. 30-100) and the Ante-Nicene Period (c. 100-325).
