Tennyson Complete Works – World's Best Ultimate Collection – 300+ Works – Lord Alfred Tennyson's Complete Poems, Poetry, Epics, Plays, Writings Plus Biography, Annotations & Bonuses [Illustrated] Kindle Edition This book is *not* the complete works of Alfred Tennyson! It is a very poor reproduction of an old book, page for page, except that half of the pages are too dark to be even remotely legible. Alfred Tennyson, 1^{er} baron Tennyson (6 août 1809 – 6 octobre 1892), frère de Charles Tennyson Turner, est l'un des poètes britanniques les plus célèbres de l'époque victorienne.
