

Download The Death Factory Penn Cage 35 Greg Iles

Greg Iles spent most of his youth in Natchez, Mississippi. His first novel, Spandau Phoenix, was the first of thirteen New York Times bestsellers, and his new trilogy continues the story of Penn Cage, protagonist of The Quiet Game, Turning Angel, and #1 New York Times bestseller The Devil's Punchbowl. You may remember me raving about Greg Iles' new book Natchez Burning - the first in a planned trilogy. I only discovered after reading the book that Iles had penned an 'in-between' Penn Cage novella called The Death Factory that is set just before the beginning of Natchez Burning. Greg Iles (*08.04.1960) schuf die Penn Cage-Reihenfolge vor über fünfzehn Jahren. Bis heute sind insgesamt sechs Bände der Chronologie entstanden. Greg Iles – The Death Factory is a short story that features former prosecutor Penn Cage. This novella was published on March 18, 2014.
