The cause of this global war was The world wide recession, indeed “the slump”, in the 1920’s which caused a number of leaders to look for growth abroad to take the pressure off the disasters at home. The naval war of World War 2 was just one component of a very far-reaching and complex war. There was a battle for the Mediterranean where the Germans needed to be starved out of their position in North Africa and the mighty Italian fleet needed to be corralled to Italian shores. Prototypes. The interwar, probably more than the Second World War itself, was filled with all sorts of tanks and armored vehicles and especially hybrids that experimented with the genres, when armored warfare was still being theorized and had a lot of enthusiastic supporters.
