

Download The Great War In History Debates And Controversies 1914 To The Present

After World War Two, the historian's focus on the Great War shifted to social and economic factors, with a significant Marxist influence. And in the last few decades, the focus has shifted to cultural and individual topics, including the way in which the Great War is remembered. This adds up to a highly illuminating look at how the historical idea of the Great War has evolved -- and will doubtless continue to evolve. *The Great War in History: Debates and Controversies, 1914 to the Present* A vast amount of literature has emerged on the First World War and its repercussions since the Armistice. Two leading historians therefore present this comparative analysis of the ways in which the history has been written and interpreted. Two leading historians therefore present this comparative analysis of the ways in which the history has been written and interpreted. Identifying three generations of historians, literary scholars, film directors and writers who have commented upon the war, they assess A vast amount of literature has emerged on the First World War and its repercussions since the Armistice.
