The History of Family Business, 1850–2000 Prepared for the Economic History Society by Andrea Colli  
Università Commerciale Luigi Bocconi, Milan

The History of Family Business, 1850–2000 terms of long-term commitment, know-how, and the cultivation of trust exceed or at least equal the disadvantages (Landes 1975). The book summarises previous research into family business, and situates many aspects of family business - such as their strategies, contribution, failure and decline - in an economic, social, political and institutional context. It will be of key interest to students of economic history and business studies.
