

# Download The Kings Corrodian Gil Cunningham

The King's Corrodian has an intriguing plot, but I don't have the expertise to comment on how realistic it is to the time. Others will have to decide that for themselves. I recommend this book for any historical mystery fan, but do think you will enjoy it more if you begin with the first book and read them in order. The King's Corrodian has an intriguing plot, but I don't have the expertise to comment on how realistic it is to the time. Others will have to decide that for themselves. I recommend this book for any historical mystery fan, but do think you will enjoy it more if you begin with the first book and read them in order. The never predictable Pat McIntosh does it again, with a cracking Gil Cunningham/Alys Mason mystery with science & religion & daily life of Medieval/early modern Scotland all worked into the lovely plot. The King's Corrodian has an intriguing plot, but I don't have the expertise to comment on how realistic it is to the time. Others will have to decide that for themselves. I recommend this book for any historical mystery fan, but do think you will enjoy it more if you begin with the first book and read them in order.
