Each classroom session includes an overview, materials list, and preparation steps, followed by clear, step-by-step instructions for effective classroom presentation. Citing and more! Add citations directly into your paper, Check for unintentional plagiarism and check for writing mistakes. Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. A considerable body of work highlights the relevance of collaborative research, contract research, consulting and informal relationships for university–industry knowledge transfer.
