The Magic Kingdom: A Novel | Stanley Elkin | ISBN: 9781560250180 | Kostenloser Versand für alle Bücher mit Versand und Verkauf durch Amazon. In The Living End, Elkin offered a caustic, hilarious, haunting triptych on the themes of mortality, life-after-death, and God's unabashed injustice. Abandoned by his wife and devastated by the death of his twelve-year old son, Eddy Bale becomes obsessed with the plight of terminally ill children and develops a plan to provide a last hurrah dream vacation for seven children who will never grow-up.
