

Download The Nigerian Banking Sector Reforms Power And Politics

This is the first comprehensive book on the politics and economics of financial sector consolidation in an emerging market in West Africa. It draws on the author's twenty years experience working with multinationals in this oil-rich zone, to address key issues and examine banking reform in one of the world's fastest-growing economies. Giving an avid account of how the banking sector in Nigeria prospered at the expense of the overall economy, the book traces the origins of the Nigerian banking reform, the dynamics of its banking sector, and future outlook of this emerging market - a country that aims to be one of the 20th largest economies in the world by 2020.
