Common farm animals in the stable of Christ's birth begin to talk and communicate for the first time upon Mary and Joseph's arrival. They realize a miracle is about to take place, but lose their ability to speak following the birth of Christ as they rush to tell ...The Night the Animals Talked (1 of 2)1970 965 Views 346 Votes The Night the Animals Talked. Common farm animals in the stable of Christ's birth begin to talk and communicate for the first time upon Mary and Joseph's arrival. The Night The Animals Talked is a 1970 animated Christmas Special, produced by Italian studio Gamma and directed by animation veteran Shamus Culhane. The plot is an adaptation of the birth of Jesus, from the POV of the animals who were in the stable he was born in. The only twist, as the title gives
