(4.5 stars) The Parallel Apartments is a literary tightwire act executed almost flawlessly. Author Bill Cotter isn't just a sure handed storyteller...he's cocky. The Parallel Apartments is a bold leap forward for a writer whose protean talents, whose sheer exuberance for language and what a novel can do, marks him as one of the most exciting stylists in America. The Parallel Apartments is a bold leap forward for a writer whose protean talents, whose sheer exuberance for language and what a novel can do, marks him as one of the most exciting stylists in America. [McSweeney's; 2014] Inventive and hilarious, The Parallel Apartments delights in the oddities of people and language. Inhabiting a mesmerizing and unnerving kaleidoscope world, Bill Cotter's vivid characters turn "extreme" into the new normal.
