They're hung high out of reach, impossibly beautiful and distant. The air has that crisp fall scent, and I know there will be frost tonight. I received an ARC of this book and I am so glad that I did! Just when I thought the Arrangement was going to be the one series to keep me guessing, now HM Ward has introduced Bryan Ferro and Hallie in The Proposition. I've never read any of H.M. Ward's books, but have already ordered everyone that I can find. What a fantastic author. In just a few short chapters she gets me into the space with Hallie Montgomery, Neil Scortz and her best friend and fellow orphan, Maggie.
