Paranoia Works Encryption Tools: Secret Space Encryptor for Android, Paranoia Text Encryption for iOS (iPhone/iPad/iPod), Paranoia Text Encryption for PC, S.S.E. File Encryptor for PC. The secret is out... From smooth hot rocks massaged all over the body, aromatherapy massages, facials, manicures & pedicures to magic day spa packages all by internationally qualified therapists, Secrets is truly a pampering experience! For our members' convenience, we offer several payment plans for Jack'd Pro. But don't worry, all of the plans unlock the same Jack'd Pro features! Securely encrypt your private and confidential files or whole folders. The encryption/decryption process is simply done by dragging the selected file(s) or folder(s) to the application window.
