

Download The Seven Percent Solution Book

The Seven-Per-Cent Solution was ranked ninth in the Publishers Weekly list of bestselling novels from 1974 and made The New York Times Best Seller list for forty weeks between September 15, 1974 and June 22, 1975. Holmes continues to solve crimes as written by a number of authors including this 1974 version, The Seven-Per-Cent Solution by Nicholas Meyer. The book was made into a film in 1976, which I've enjoyed watching a number of times. The Seven-Per-Cent Solution: Being a Reprint from the Reminiscences of John H. Watson, M.D. is a 1974 novel by American writer Nicholas Meyer. It was published as a "lost manuscript" of the late Dr. John H. Watson and was made into a film of the same name in 1976. First discovered and then painstakingly edited and annotated by Nicholas Meyer, "The Seven-Per-Cent Solution" relates the astounding and previously unknown collaboration of Sigmund Freud with Sherlock Holmes, as recorded by Holmes's friend and chronicler, Dr. John H. Watson.
