I know right? Have I been hiding under a rock or something? Avid crime fan, somehow I missed this talented author. No more. Whilst this was book eight in the series, for me, the newcomer it read totally fine as a stand alone book. I didn't feel I missed out by not reading prior books in the series.The eighth Simon Serrailer case'Not all great novelists can write crime fiction but when one like Susan Hill does the result is stunning' Ruth RendellThe cathedral town of Lafferton seems idyllic, but in many ways it is just like any other place.
