

Download The Tablets Of The Vision

Here follows an introduction to and provisional translation of one of the most beautiful Tablets of Bahá'u'lláh, the wholly Arabic Lawh-i-Ru'yá (The Tablet of the Vision). An earlier translation of this Tablet appeared in the volume Bahá'í Scriptures (ed. H. Holley, 1921/23). The tablets that existed were: Agility, Combat, Fire Resistance, Fury Mining, Gills, Gravity, Invisibility, Night Vision, Regeneration, Resistance, Speed and Strength. 2.1 Added more tablets, including introducing new shorter tablets. Harlan was raised in church until about the age of seven. Thereafter only sporadically attending, generally only on special occasions. He grew up on a dairy and enjoys hunting and fishing. Another translation of this tablet, by Stephen Lambden, can be found at his website, Hurqalya.
