## Stephanie Laurens

Not worthy of Stephanie Laurens book or a Cynster hero. Devil's Bride is the standard by which all Cynster romances are measured, and this is a pale imitation. "The Taste of Innocence" is definitely not her best work. The term "Taste of Innocence" was repeated so many times in the story that I found myself counting the times it showed up which greatly detracted from the story. The plot was not as strong as most of her stories and I couldn't help but feel she was using this book to better set up her next Cynster Series book which will be about Barnaby Adair the friend of the younger generation Cynsters who dabbles in crime solving.
