The real 'Annabelle: Creation' doll looks (a lot) less scary than the movie version, but she's purported to have the same demonic powers. We explore whether Annabelle 2 Creation is based on a true story. Discover the Annabelle doll's origins and if the sequel is fact or fiction. The General Theory of Evolution (GTE) is the atheists' creation story. As with the Bible, it begins with creatio ex nihilo (creation from nothing)—and in the atheists' view there really was nothing (and certainly no God) to act as first cause. The big bang, they say, produced the universe all. Frankenstein: The True Story is a 1973 British and American made-for-television horror film loosely based on the novel Frankenstein by Mary Shelley.
