

Download The Twelve Absolutes Of Leadership

Most people like the idea of leadership but few count the cost. He says, “To lead is to be all in, transparent and accessible, calm in the face of upset and even crisis, and always mindful that you are a steward of something bigger than yourself.” That’s not easy. To whom much is given much is required. That’s the part that easily trips us up. The answer lies in *The Twelve Absolutes of Leadership*. This engaging and highly readable book presents an actionable plan to build world-class leadership skills, based on the author’s expertise as the leader of a NYSE-listed firm and CEO of the world’s largest executive recruiting firm. The book also highlights discussions on the elements with leaders from a variety of industries and fields, from technology to entertainment, automotive to academics. Take your first steps to leadership excellence with *The Twelve Absolutes of Leadership*. Praise for *The Twelve Absolutes of Leadership* : “In *The Twelve Absolutes of Leadership* , Gary Burnison captures the timeless principles that leaders must possess, beyond intelligence, courage and heart.
