

Download The Ultralight Backpacker The Complete Guide To Simplicity And Comfort On The Trail

Grayson Cobb attempted to thru-hike the entire Appalachian Trail carrying only 3.5 pounds of gear. This is his ultralight backpacking gear list. After being off trail for a few weeks, I finally found time to sit down and evaluate the gear I took with me on my thru-hike. Not surprisingly, there were many things I found I could do without while I was out on the trail. Perfection is achieved, not when there is nothing more to add, but when there is nothing left to take away. (Antoine de Saint-Exupéry) Gear recommendations will update in January, 2019. This post takes the BS & mystery out of finding the right camera. A camera that meets YOUR needs & YOUR budget. And you don't need an expensive camera to take superb backpacking photos.
