

Download Their Cancer Your Journey

Their Cancer - Your Journey is a Traveller's Guide for Carers, Family and Friends on their journey with another's illness. Their Cancer-Your Journey is the book for those supporters, family members, and friends. It is an inspirational guide that can be carried with you where ever the journey with your loved one takes you. A must have book to keep you feeling strong so that you can continue to be strong for them. You can take it with you when visiting, and you can re-read passages to deepen your insights. Their Cancer – Your Journey is a book written from the heart, but although it contains some of my story, it's not really about me.
