

Download Thine Is The Power And The Glory

The title is an allusion to the doxology often recited at the end of the Lord's Prayer: "For thine is the kingdom, the power, and the glory, forever and ever, amen." It was initially published in the United States under the title *The Labyrinthine Ways*. As we confess that God is in charge, we admit that we're not. As we proclaim that God has power and can do what God wants, we admit that we need God's power for living. And we give God all the applause and glory because there is no one else like God.
