

Download Three Little Pigs Paper Puppets

Print these three little pigs coloring pages, and let your kids color them as they see fit. Why not a blue pig, a green wolf, or a house with purple bricks? The Three Little Pigs Worksheets and Activities Packet has pages in it for kids from kindergarten through second grade. Not every page will be perfect or ability-appropriate for every child in that age group, as you can imagine. Practice some hands-on storytelling with these shadow puppets, modeled after The Three Little Pigs. In this funny twist of the "Three Little Pigs," the wolf ends up rather confused! After reading this story, your students will have a great time acting out their versions of "Who's at the Door? A Split-Page Surprise Book" by Jonathan Allen.
