

Download Top 10 Comic Book Heroes Of All Time

Disney's DuckTales, which aired in first-run syndication from 1987 to 1990, is a comic book adaptation, though not as obvious as the others on this list. Comic books like Watchmen and Kick-Ass ask: What would happen if superheroes existed in the real world? Watchmen suggested we'd get sociopaths.⁴⁴ **LISTS Heroes and Villains** Lists that rank comic book characters by their powers, strength, physical traits, affiliations, and other features, like how just goshdarn super they are. Empire counts down the 50 greatest comic book characters in the pantheon. Head to Empire Online to read the list.
