Landschaft ist für die Bergschaften Grindelwalds Nutzungs-, Kultur- und Identitätsraum. Sie leisten mit ihren kulturellen, sozialen und ökologischen Ressourcen wichtige Beiträge an die lokale und regionale Kultur, ebenso einen wesentlichen Beitrag an die lokale und regionale Wirtschaft. Sustainable Cities and Society (SCS) is an international journal focusing on fundamental and applied research aimed at designing, understanding, and promoting environmentally sustainable and socially resilient cities. Sustainable development is the organizing principle for meeting human development goals while at the same time sustaining the ability of natural systems to provide the natural resources and ecosystem services upon which the economy and society depend. Record number of country leaders, private sector and civil society actors reviewed progress towards the Sustainable Development Goals. More than 125 Heads and Deputy Heads of State and Government, Ministers, Vice-Ministers and other Ministerial level officials, and over two thousand representatives from governments, UN system and other ...
