05Aug03 - Bank watching in Basel All pictures on this page are by Richard Janssen I was on business-travel from city to city in Switzerland. After the work in Basel I went straight to the BIS to see the buildings in real life. Articles of interest pertaining to annual results, investment products and opportunities, entertainment, building your wealth and more. The most recent SEP entry on logical empiricism really reinforces how much America benefited from WWII and the diaspora of logicians, mathematicians, philosophers and geniuses of every stripe from Europe (something I've remarked on while reading academic biographies). The origin of 'the world's dumbest idea': maximizing shareholder value: The idea got going with an article by Milton Friedman in the New York Times in 1970. The economic consequences were ...
