Transformers is a comic book series by IDW Publishing, spun off from the 2007 Transformers movie and other films in the Transformers film series. Jolt is the name of five fictional characters in the Transformers series in the Transformers robot superhero franchise. The original Jolt was a Decepticon hot rod with a sword who was introduced in 1994. Transformers: Prime is a multiple Daytime Emmy Award-winning computer-animated television series that premiered on The Hub on November 26, 2010 with a five-part mini-series, which was followed by a season of another 21 episodes beginning on February 11, 2011. In 2007, we were all pretty sure there would be a fourth live-action Transformers movie with Lockdown as the main villain.
