Sideswipe goads Cyclonus into attacking, and although he puts up a good fight, seemingly taking out Road Rocket and even deadening Hound's arm, he's brought down by Warpath, and Magnus holds a gun to his head. As a last resort, Cyclonus detaches his hand, which rockets to the cave and activates the guardian—Thunderwing. Using the distraction, Cyclonus escapes, but Magnus sends another tracker after him. Cyclonus is a Cybertronian loyalist and when he saw his precious world destroyed, rage fueled his heart and the desire to destroy those who are responsible for Cybertron's demise will be unstoppable. Sadly, a group of Autobots heading to Garrus-9 (See Spotlight: Arcee) will be the first to suffer Cyclonus revenge. Read Transformers Spotlight: Cyclonus Full comic online free and high quality.
