

# Download Typologies And Taxonomies An Introduction To Classification Techniques

Typologies and Taxonomies: An Introduction to Classification Techniques, Issue 102 Volume 102 of Quantitative Applications in the Social Sciences, ISSN 0149-192X  
Typologies and taxonomies: An introduction to classification techniques (Sage University Paper series on Quantitative Applications in the Social Sciences, series no. 07-102). Author Information. College of Library and Information Services, Hornbake Building (So. Wing), Room 4105, University of Maryland, College Park, MD 20742-4345  
There's a lot of math here, and it's geared towards the classification of large datasets based on the correlation of variables (I think, anyway). It's short, so I did read it to the end because it revealed some aspects of classification I wasn't aware of.
