The seventeenth edition of Accounting Standards introduces students to the principles of the International Financial Reporting Standards. Changes brought about by new and revised standards have once again been incorporated in this latest edition, mainly relating to the new IFRS 16 on leases. Not only is the Institute meeting a felt need by students but it has also achieved recognition by employers, many of whom sponsor their employees as students; and by the colleges, where the Institute's examinations have been incorporated into business studies training programmes as a first step towards a more advanced qualification.
