The United States Department of Justice (DOJ), also known as the Justice Department, is a federal executive department of the U.S. government, responsible for the enforcement of the law and administration of justice in the United States, equivalent to the justice or interior ministries of other countries. During the 2004 United States presidential election, concerns were raised about various aspects of the voting process, including whether voting had been made accessible to all those entitled to vote, whether ineligible voters were registered, whether voters were registered multiple times, and whether the votes cast had been correctly counted.
