Learn vocabulary, terms, and more with flashcards, games, and other study tools. I tutor test prep and I had never heard of this. I googled it, and USA Test Prep, Inc. seems to be a company that writes prep questions for K-12 end-of-year standardized tests. They sell their services to schools. If you have one of their worksheets, your school will need to be a client to get the answer key. If you are a parent, you should request the key from your child's teacher. Our test prep suite includes both partial and full-length practice tests in each subject area. It allows each student to learn at his/her own pace, and our instruction, assessment, and tracking tools will show you where each student needs the most practice.
