

# Download Utopia, And Other Essays

Utopia of Usurers is divided into two major parts. The second part is an assemblage of the author's journalistic articles. In the first part, G.K. Chesterton takes to task the theories, claims, and pragmatic fallout of unrestrained capitalism. A Utopia (/ j u ? ? t o ? p i ? / yoo-TOH-pee-?) is an imagined community or society that possesses highly desirable or nearly perfect qualities for its citizens. The opposite of a utopia is a dystopia. Utopia (Libellus vere aureus, nec minus salutaris quam festivus, de optimo rei publicae statu deque nova insula Utopia) is a work of fiction and socio-political satire by Thomas More (1478–1535) published in 1516 in Latin.
