

# Download Web 2.0 A Strategy Guide Amy Shuen

Amy Shuen is an internationally recognized authority on Silicon Valley business models and innovation economics, frequent speaker at industry conferences and venture capital events, and an award-winning strategy researcher. Overview. The phrase "dynamic capabilities" was introduced in a working paper by David Teece, Gary Pisano, and Amy Shuen. The final, peer-reviewed version was published in 1997. L'expression « Web 2.0 » désigne l'ensemble des techniques, des fonctionnalités et des usages qui ont suivi la forme originelle du web, www ou World Wide Web [1], caractérisée par plus de simplicité et d'interactivité (sociabilité). Web 2.0 (???????????? ???? ?'?????) — ??????? ?????????????? ??????, ??????? ????? ?????? ?????????????????? ????????????? ???? ?????, ??? ?????? ?????? ??? ?????????????.
