From the start of *When It Happens*, I loved the writing style of Susane Colasanti. The first chapter was very reminiscent of R. A. Nelson (circa *Breathe My Name*), in that it was random, relatable, and very much like the inside of a teenager's mind. The synopsis of *When It Happens* was interesting; unfortunately, that's not what I can say about the book. It falls short and by a large margin as well. I was really psyched to read Susane Colasanti after *Something Like Fate*. Thus, I decided to read this out the three options I had: *Waiting For You and Take Me There*. *When It Happens* | Susane Colasanti | ISBN: 9781407130842 | Kostenloser Versand für alle Bücher mit Versand und Verkauf durch Amazon.
