

Download Wicked Werewolf Night Society 1 Lisa Renee Jones

Wicked Werewolf Night by Lisa Renee Jones is a fast, erotic read. It is tied to a different series, though, so I am afraid that I spent most of the time in the dark. I will have to check out the other series. Chapter One. A witch's torment... Aylia Richardson appeared in the deserted Nevada diner parking lot in a flash of air and evening wind that blew her long chestnut hair around her shoulders.
