Wildflower Hill is at the top of my list for favourite books of the year and I would even say I consider it one of my favourite books of all time. With the launch date for my book, Wildflower Hill, in the US and Canada steadily getting closer, I thought I'd share with my new readers some of the thoughts and feelings that went into the creation of this manuscript in 2009. Hailed by bestselling author Kate Morton as "a gorgeous story of family and secrets and the redemptive power of love," Wildflower Hill is a compelling and romantic novel spanning three generations and half the world, from modern day London to Australia in the 1930s. Kimberley Freeman was born in London and grew up in Brisbane, Australia. She is the bestselling author of Wildflower Hill and Lighthouse Bay and teaches critical and creative writing at the University of Queensland.
