You are sowing the seed for future failure if you do ...ebook (PDF), by A. V. Williams Jackson ... What the original alphabet was in which the Avesta was written we do not know. The alphabet in ... What the original alphabet was in which the Avesta was written we do not know. The phonetic alphabet can also be signaled with flags, lights, and Morse Code. When on the radio, spoken words from an approved list are substituted for letters. For example, the word "Army" would be "Alfa Romeo Mike Yankee" when spelled in the phonetic alphabet. This practice helps to prevent confusion between similar sounding letters, such as "m" and "n," and to clarify signals communications that may be garbled during transmission.
