

# **Download Women At War The Story Of Fifty Military Nurses Who Served In Vietnam Studies In Health Illness**

Having already had a copy of Olga Gruhzt-Hoyt's book about the women who served during World War II, I was anxious to read her latest book *A Time Remembered: American Women in the Vietnam War* (Presidio Press, ISBN 0891416692, 272 pages). A decade after America pulled out of Vietnam, the seeds of the often heart-wrenching oral history, *A Piece of My Heart*, were sown when writer and filmmaker Keith Walker met a woman who had been an emergency room nurse in Cu Chi and Da Nang. Military culture, especially during Japan's imperialist phase, had great bearing on the conduct of the Japanese military before and during World War II. JSTOR is a digital library of academic journals, books, and primary sources.
