

# **Download Yamaha Drive Golf Cart Service Manual**

I have a 1987 club car golf cart(gas), it's starting to squeal the belt on steep grades. I looked up the drive clutch but before I spend \$700 on a new one is this the probable problem.I have 4 brand new Trojans batteries in my golf cart (48v. Yahama Drive). My hydrometer shows that all cells are between the white and red indicator.
